### ASSEMBLIES - Session 2021-22

**"We are what we repeatedly do. Excellence, then, is not an act, but a habit. -Aristotle"**

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. The morning assembly makes the students feel fresh, energetic with positive vibrations. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably, it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. During these Pandemic times, virtual assembly has now become a platform for being digitally creative to express ideas and thoughts with each other.

We @ Ralli International School continue to celebrate this academic year 2021-22 as well in style with our regular Virtual School Assemblies. Virtual assemblies are fun, interactive, and tailored to the level and interests of our students. Daily Morning and the Special Assemblies are being organized as a customary on weekly basis. This is indeed , another way to make your way back to school and loop around to exit.

The assembly is prepared under the guidance of the class teacher. The students present a mesmerising assembly on the pre-assigned themes. It commences with the Morning Prayer which is believed to provide peace and serenity to our minds and souls. The students put up mesmerizing dance performances of different themes. The energy of the performance is contagious which leaves the audience in awe of them.

The turns of events usually are:

- 1. Morning Prayer**-The assembly starts with an inspiring prayer .Gayatri Mantra chanting helps us to invoke the blessings of Goddess Saraswati and fills the heart and mind with gratitude and humility.
- 2. Thought for the Day**- An enlightening thought for the day is shared.
- 4. Insights on the theme**-The students worked together as a team and presented a melange of thoughts, ideas, expressions and beautiful self-composed poems based on the theme.

**5. Theme Based Activity-**The theme based activity in the form of dance , small skits is performed by the students in order to create awareness .It is an informative assembly and the themes are not only innovative but justified as well. The students perform with full enthusiasm. The efforts of the students are highly appreciable.

**6. National Anthem-**The assembly culminates with the rendition of the National Anthem.

Keeping the same culture alive, the students of the Primary, Middle and Senior wings conducted their class assemblies on varied themes and occasions.

It was to dedicate a special day to honour mothers because we all believe that a mother is "A person who has done more for you than anyone else in the world". The audience was told about the significance of this day and how it is celebrated worldwide. The students participated with full enthusiasm as the topic of Assembly was close to their hearts. Looking at them, the saying sounded so true that, "**God couldn't be everywhere so He made Mothers.**"

The assemblies, undoubtedly acted as a booster for our students and brought forward their hidden talents. The children were beautifully dressed and the audience loved their performances. The music set everyone's feet tapping. They participated in the activities with full passion and made them a great success. The spectators felt enlightened through learnings with fun.
