

**RALLI INTERNATIONAL SCHOOL
SESSION: 2021-22**

SEPTEMBER

EXPERIENTIAL LEARNING ACTIVITIES

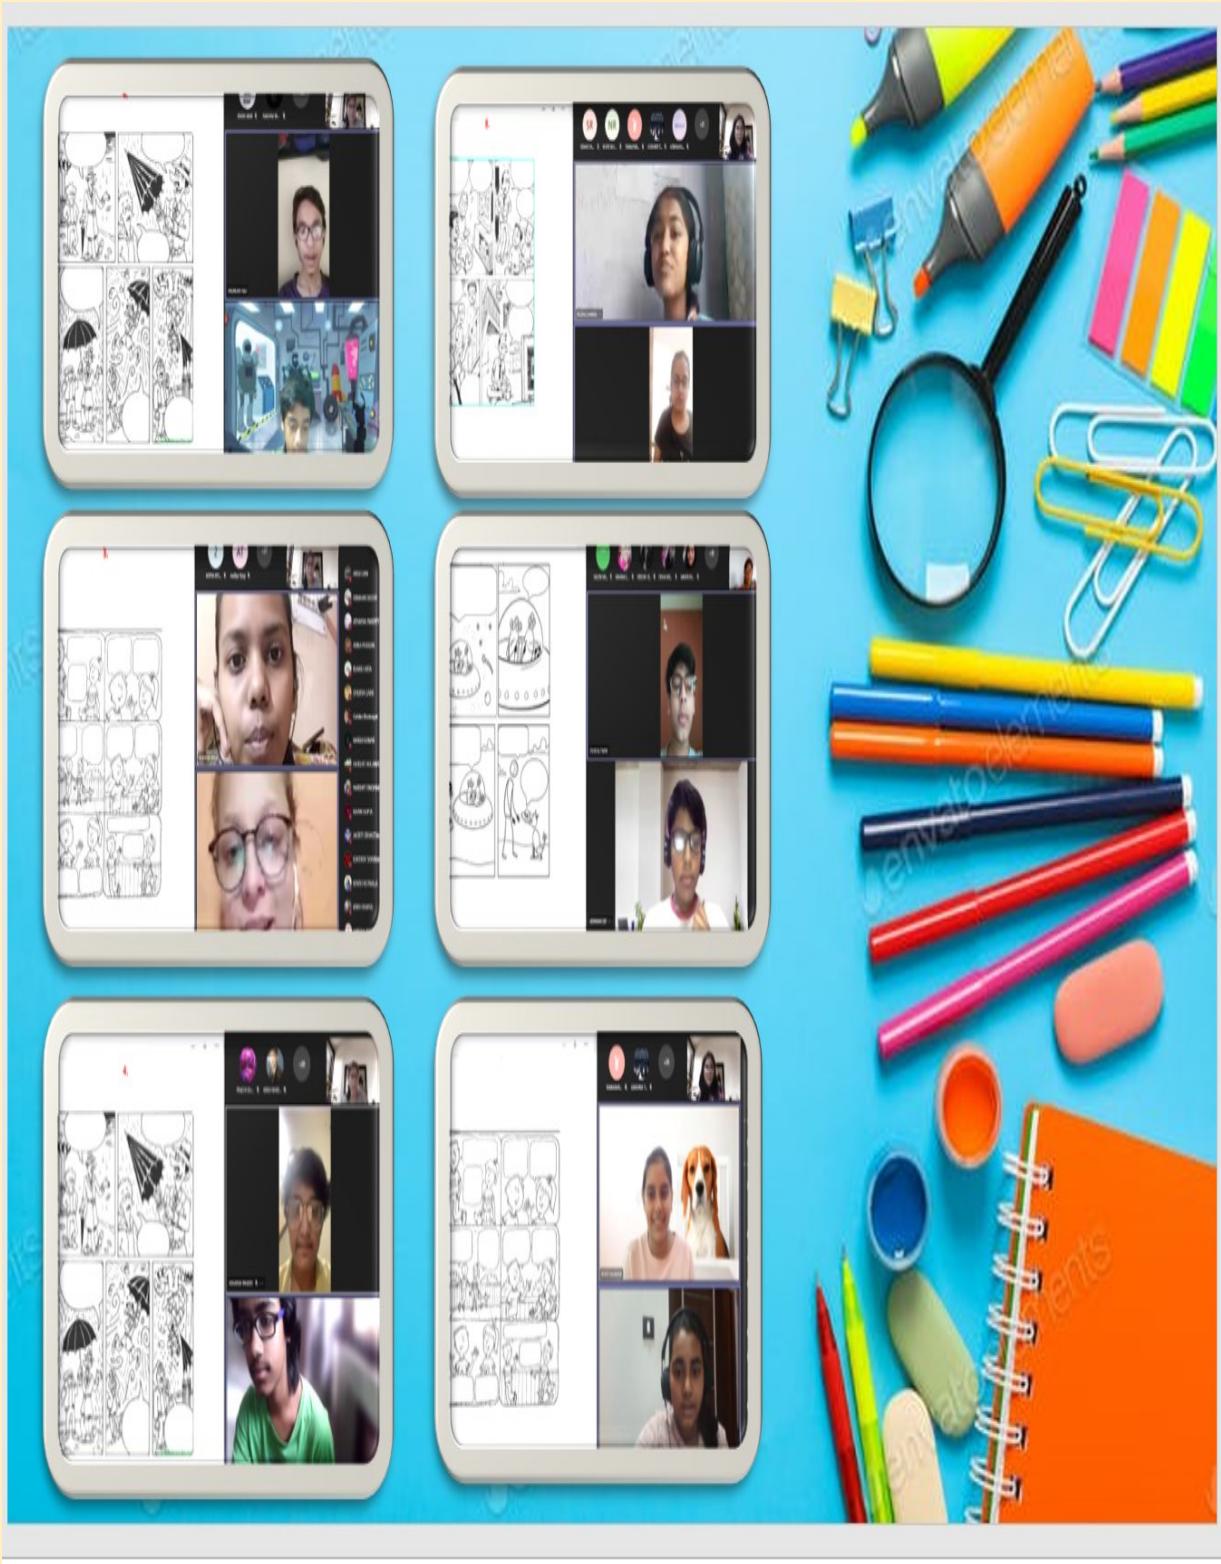

**EXPERIENTIAL LEARNING IS THE
PROCESS WHEREBY KNOWLEDGE IS
CREATED THROUGH THE
TRANSFORMATION OF EXPERIENCE**

Experiential learning is a means by which students practice skills, obtain knowledge, and derive values from real-life situations. When the student is learning by doing, the student gets a first-hand experience of what has been taught in the classroom.

Class-9

विद्यार्थियों ने पाँच धर्मों से संबंधित विभिन्न त्योहारों का आकर्षक एवं ज्ञानवर्धक पी.पी.टी. प्रस्तुत की। इस गतिविधि के माध्यम से विद्यार्थियों में वाचन एवं लेखन कौशल का विकास हुआ।

Assessment of Speaking Skill was done through **DIALOGUE CONVERSATION** in English. It was held in a very interesting and enthusiastic manner. Comic Strips were provided to the students and they created a story with the dialogues incorporated in it. Students exhibited their creative skills and came out with wonderful stories.

PAPER FOLDING ACTIVITY in Maths was based on parallelogram. They learnt and proved that parallelogram is formed by joining the mid points of adjacent sides of a quadrilateral. **COLLABORATIVE IMAGE RELAY** in Chemistry Students had to identify the separation technique and the principle used for its separation. Recapitulation of the topic and principle used for separating components from a mixture was also taken through this activity.

CLASS-10

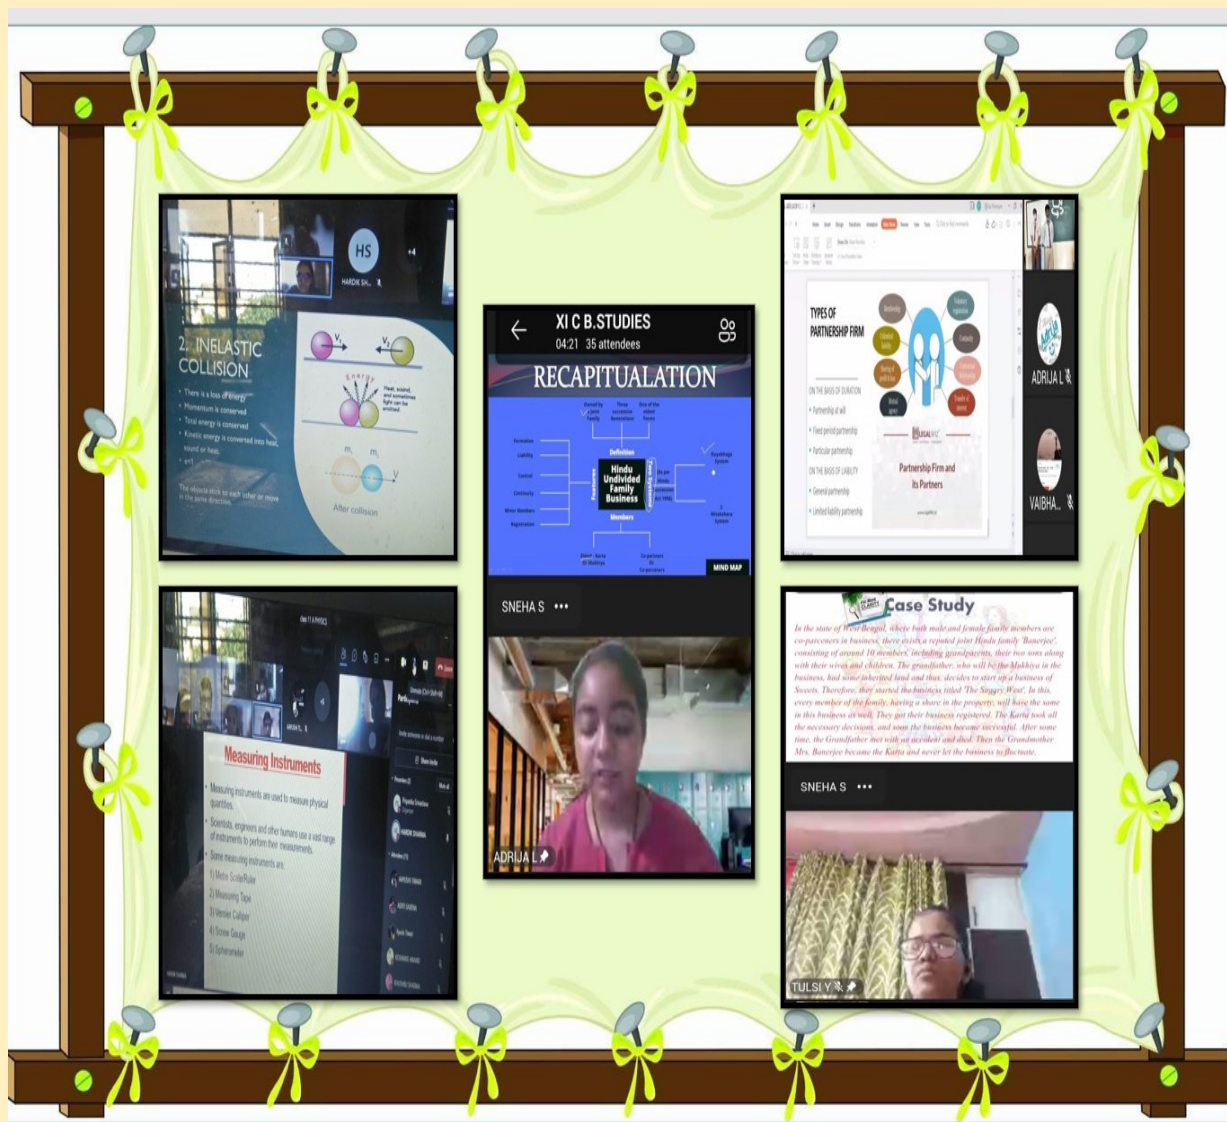

SPEAKING ASSESSMENT, a part of ASL in English for Term-1 was conducted and presented by the students in an innovative manner. The students excelled their creative skills in presenting the story through Comic Strip in their own creative manner.

विद्यार्थियों द्वारा विज्ञापन प्रस्तुतीकरण किया गया , जिसमें उन्होंने 'विश्व हिंदी दिवस' विषय पर हिंदी भाषा का महत्त्व बताते हुए रचनात्मक रूप से अपनी प्रतिभा का प्रदर्शन किया ।

CLASS-11

SHARED LEARNING in **Business Studies** was conducted by the students on Various topics. The activity was held with their fellow mates in a group. Hyperactive students worked in a high spirit and used different tools like PPTs, Skit and worksheet for the revision of topics. **CASE STUDY** was another mode of learning and revising a very familiar topic – Joint Hindu Family Business in a very easy manner. Brilliant work was done by some students which, in fact raised the standard of presentation.

COMIC STRIP, MODEL MAKING, VIDEO PRESENTATION activities were performed by the students to pacify Various Laws in **Physics**. Newton's Law of Motion, Kepler's Law, Universal Law of Gravitation, Elastic and Inelastic collision. All these activities using various platforms helped the students to enhance and get clarification related to Laws.

CROSSWORD proved to be a very exciting activity in Accountancy. This activity was enjoyed by the students where they had to create a Crossword with Basic Accounting Terms. It was a learning procedure and recapitulation technique by using commonly used terms in the subject. Concept clarity was observed through the interesting Activity.

BE A MINISTER (ROLE PLAY) Activity was performed by the students in Political Science. Students chose the role of a minister and described their department and system of working.

PEER TEACHING & GROUP DISCUSSION in History. The students chose any one topic from the text and presented in the class.

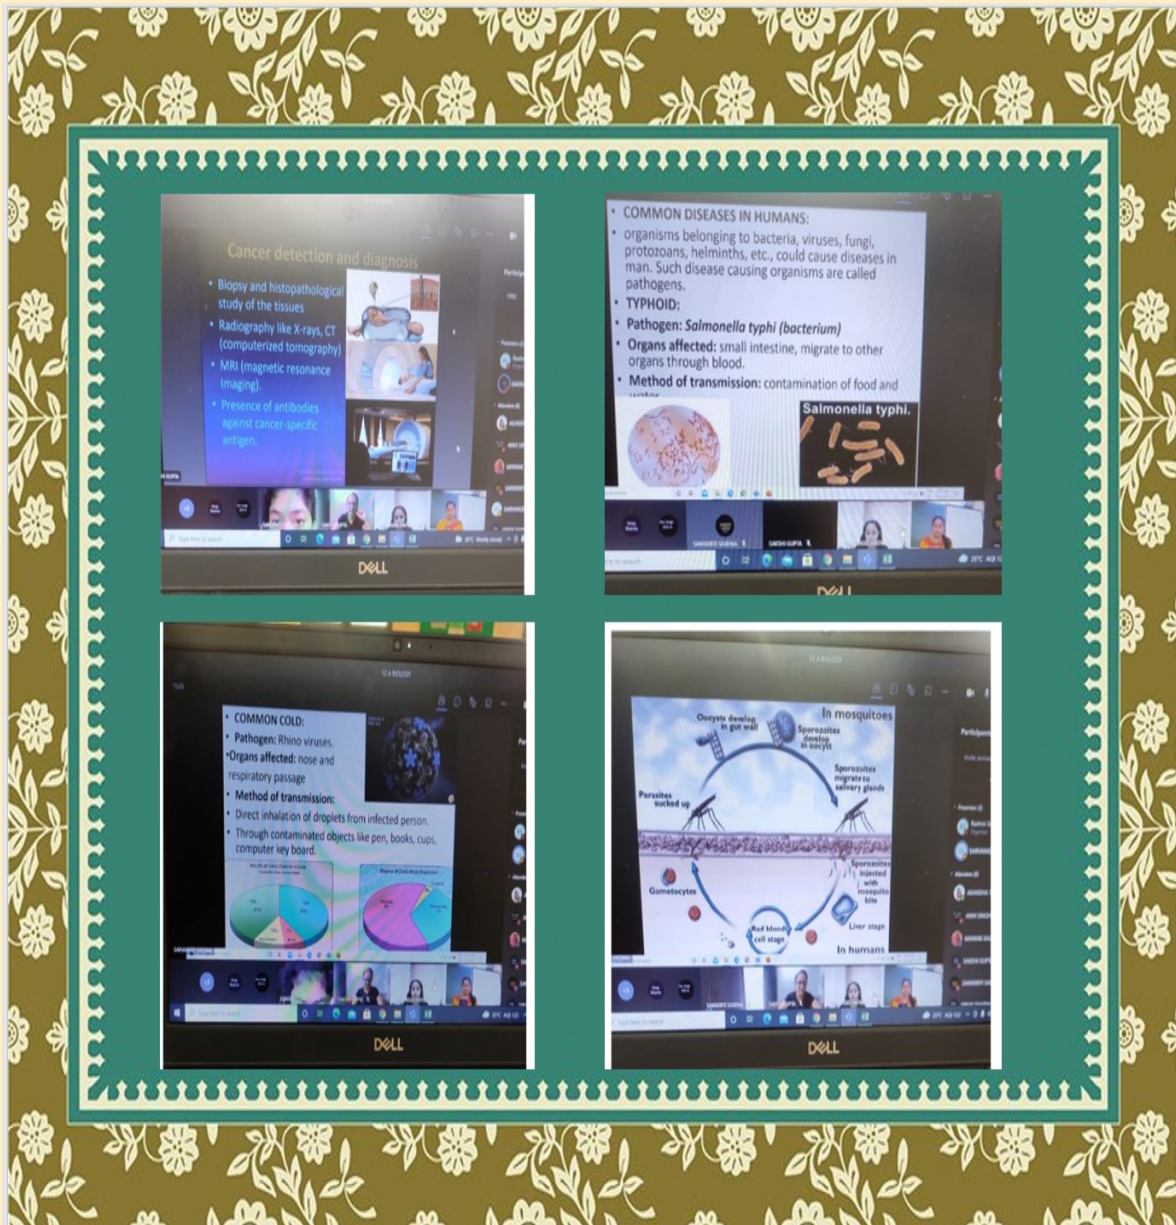

ROLE OF VARIOUS PROFESSIONALS FOR CHILDREN WITH SPECIAL NEEDS was performed by the students of Physical Education. For example: Speech therapist, Counsellor, Sign Language Interpreter, Applied Behaviour Analyst. This helped the students to research about unexplored areas and meet the requirement of 21st century education system.

CLASS-12

In Political Science, **GROUP DISCUSSION** was held among the students. Students were divided into two groups and they discussed about Foreign Policy and its positive and negative aspects.

FLIP TEACHING in Biology was another set of activity performed by the Science students. Students were asked to choose any topic related to the chapter – Human health and Diseases. They taught the topic to their friends using ppts. Through flip teaching they were also thorough with the concept.

PARTNERSHIP DEED Activity was prepared by the students. They prepared various PPTs to show the objective of business. Students got hands on experience in preparation of Partnership Deed in Accountancy. Our future role models- Managers, Chartered Accountants understood the importance of registered deed in Partnership and got to know about the legal content of the document.

STORY/ DIALOGUE COMPLETION THROUGH COMIC STRIP Activity was performed marvelously and exhibit their creative skills enthusiastically. The presentation of dialogue conversation in the class was also very interesting and the students enjoyed each other's performance. It enhanced their fluent English Speaking Skills.
